Large Crowd Attends Lions Club Ice Carnival

Although the weather was warm last Wednesday afternoon, over 50 above zero, and the afternoon events of the Lions Club Ice Carnival would not be run off on account of the soft ice, nevertheless the carnival proved a success in the evening and all the events were finally run off, to the enjoyment of the extra large crowd present.

The dog derby in the afternoon was completed on schedule, with three entries: Don McArthur, Donald Cassidy and Laverne Neufeld, and prizes were awarded in this order.

Owing to afternoon events being postponed a toboggan slide was added and was held at the butte, with the following prize winners: 1st Don McArthur, 2nd LaVerne Neufeld, 3rd Larry Wood.

Couple Toboggan Slide: 1st Dick Kimmel and Glen Klein. With all other afternoon events postponed, the program was resumed at the skating rink at 7:30 p.m. and the chuck wagon races were run off in two classes, 17 and under and 14 and under.

Following the chuck wagon races

the skating races were held and these were followed by costume judging.

In the broom ball game between the married men and the single men the beneficiaries proved superior to their opponents, who were dressed in ladies clothes, and the final score was 24.

In the open chuck wagon race, held following the broomball game, the Berscht entry took first, with Builders' Hardware entry coming in second.

To wind up the evening a moon dance was held on the ice with music being supplied over the Lions Club's new public address system, and a fair crowd enjoyed this novel event.

Despite the warm afternoon the carnival was a complete success and over \$300 was cleared on the undertaking and this sum will be added to the fund to help provide Didsbury with either a swimming pool, or a covered skating rink, the projects which are being demanded at the present time for the enjoyment of both young and old.

MRS. ADA STEVENS

Funeral services for Mrs. Ada Stevens who died on Monday, February 10 at the home of her daughter in Innisfail, were held from the Knox United Church, Didsbury, on Thursday, February 13th, at 3:30 p.m. and a large crowd gathered to pay their last respects to a departing friend and neighbor. Services were conducted by Rev. D. Whyte Smith and pallbearers were Henry Fischer, D. Wilson, John Dedrick, Henning Fischer, W.D. Spence and H. Morgan.

SCOUT & GIRL GUIDE WEEK

This is Scout-Guide Week in Canada and a special week for members of the different groups in this district.

Talks have been given over Alberta radio stations on Scouting and Guiding and an endeavor has been made to give the movement as much publicity as possible.

On Tuesday a joint social evening was held in the Lions Hall to which all parents were invited. A short concert and items from Guiding were enjoyed by all after which the Ranger groups served lunch.

The Boy Scout group has been reorganized. Cubs are to start in the near future and now is the time to enrol your boys in these healthy outdoor groups.

The Rangers have been active in many ways as a service group in this community continuously since 1938.

The Brownies are an enthusiastic young group but there is still room for a few more girls in this group. More leaders are also needed.

Ratepayers Ask For More Road Work In Division 2

FUNERAL SERVICES FOR MRS. D. EVANS HELD SAT.

Funeral services for Mrs. David (Gladie) Evans, who died on Wednesday, February 12th at her home west of Didsbury, were held from Knox United Church, Didsbury, on Saturday afternoon at 2:00 p.m. with Rev. D. Whyte Smith officiating, and a large crowd gathered to pay their last respects to a departing friend and neighbor.

Internment followed in the Didsbury cemetery with W.M. McFarquhar of Didsbury Funeral Home in charge of arrangements.

Mrs. Evans was in her 56th year, and was born in Luba, Kansas, and came to the Didsbury district 21 years ago. She was active in Red Cross work and had made many faithful and loyal friends during her long residence here.

Surviving are her husband, David; a daughter, Mrs. Bessie Hosgood; two sons, Leslie and Glenn, all of Didsbury; four grandchildren; three brothers, John Norris, Libo, Kansas; Bert, Houston, Texas; and Leslie, Burlington, Kansas; two sisters, Mrs. Mary Kay, Strawn, Kansas; and Mrs. W.R. Smith, of Seattle, Washington.

Former School Principal Gets Ottawa Position

The Civil Service Commission announced Wednesday that Charles Ross Ford, 46, of Edson, Alberta, superintendent and inspector of schools within the Alberta Department of Education and a former principal of the Didsbury school, is the successful candidate in a nationwide competitive examination for the post of superintendent of schools in the Department of Labor at Ottawa.

The Canadian Vocational Training division jointly with provincial authorities, administers large-scale training programs with present emphasis on rehabilitation of veterans and retraining of personnel formerly employed in war industry. The supervisor of technical training will be responsible for all activities conducted under the vocational schools assistance agreements and for development of new or improved technical training programs.

Born at Stoddart, Ontario, C.R. Ford received part of his education there before coming to the Didsbury district, where he worked for

a time for W.H. Davies and later completed his high school and obtained his teacher's certificate in 1925 and in 1928 was appointed principal of the Didsbury school. He remained here until 1942 when he joined the staff of the Edmonton Technical School, and in 1943 was appointed superintendent and inspector of schools in Edson district.

Ed Ford, proprietor of Edford Motors and Gordon, who farms in the Westcott district, is another brother.

LOCAL C.G.I.T. MEMBERS ATTEND RED DEER MEET

The Central Alberta C.G.I.T. Conference, held in the United Church in Red Deer on February 14, 15 and 16 was attended by two ladies and ten girls of the Didsbury C.G.I.T. Group. The total attendance was over 150 girls from Olds, Lacombe, Innisfail, Bowden, Stettler, Gadsby, Ponoka, Eddyville, Didsbury, Carleton Place, Red Deer.

The theme of the Conference, "Ye Shall Be Witnesses," was held throughout all discussion groups. The main topics were "Living Our Purpose," and "How We Can Improve Our Groups." Handicraft demonstrations were given and hobby groups held.

Saturday evening a banquet was held, followed by "Camp Night." Sunday morning the girls attended the service given by Rev. Gardiner of Red Deer.

Those attending from Didsbury were Miss E. Williamson, Miss A. Proden, Pauline Bowman, Deloyce Gordon, Minnie Holub, Jean Renne, Joyce Buhr, Hazel Jackson, Gwen Clarke, Emily Dupont and Deane Krueger.

SURPRISE PARTY FOR MR. AND MRS. C. DICKAU

On Thursday evening, Feb. 13th Mr. and Mrs. Dickau were entertained Mr. and Mrs. Charles Dickau and Harold, and Mr. and Mrs. Jake Schellenberg and family to dinner. Later in the evening neighbors and friends dropped in and gave Mr. and Mrs. Dickau and Harold a surprise farewell party, since they are leaving the district. The evening was spent in playing croquet and altogether there were nine tables.

Later in the evening Mr. W.J. Scheidt on behalf of the neighbors and friends presented Mr. and Mrs. Dickau with a beautiful electric

Mr. Tom Pratt on behalf of the younger people presented Harold with a bill fold and key case. Mr. and Mrs. Dickau thanked the host and hostesses and friends for the gifts and for the enjoyable evening, after which a delicious lunch was served by the ladies.

The largest crowd ever to attend an annual meeting of the Municipal District of Mountain View No. 49, turned out last Saturday afternoon at the Lions Hall, Didsbury, and there was not even standing room available for late comers.

Mr. Frank Lutz of Crossfield was appointed chairman of the meeting and arising out of the minutes of the last annual meeting was a resolution urging the provincial government to declare as secondary highways the roads from Acme to Carstairs, Carstairs to Cremona, and Olds to Trochu. As no definite decisions have been made this past year, the meeting again requested that the government declare the above roads as secondary highways.

The financial statement was reviewed, together with the statement of both Olds and Didsbury Municipal Hospitals. The municipal statement showed 91 per cent of current taxes and 56 per cent of arrears collected in 1946. Actual tax collections for the year were \$435,053.99, and sundry collections amounted to \$39,961.70, bringing total collections for the year to \$474,935.69.

Expenses for the year 1946 were: Administration \$14,323.65; Protection to Persons and Property \$2,967.46; Public Works \$154,579.19; Health \$336.63; Public Welfare \$35,910.92; Education \$101,402.42; Machinery Power \$1,000.00; and sundry surplus assets at \$194,611.07.

A resolution was introduced that the meeting go on record as endorsing the appointment of a practical man as supervisor of all road work in the municipality, but the motion was lost.

Another resolution was passed, which read: "That the meeting recommend in 1947, as soon as weather permits, that one road out of the municipality be made a secondary highway to do the following work in the order given: (1) To complete elevation and gravel of road from Madoc to Cochrane road, 8 miles. (2) Elevate and gravel unfinished portion of Cochrane road from Cremona south to present gravel, 6 miles. (3) Elevate and gravel road from Water Valley to Cochrane road, 5 miles. (4) Elevate and gravel road from Don Pound north to Cochrane road, 3 miles. (5) Elevate and gravel road from Cochrane road to present gravel, 3 miles. (6) Elevate and gravel road from Cochrane road to present gravel, 3 miles. (7) Elevate and gravel road from Cochrane road to present gravel, 3 miles. SWIMMING POOL IS BEST PROJECT

The large crowd at the ice carnival last Wednesday and the inadequate accommodation for spectators brought some comment on the need for a covered skating rink. This in turn brought rumors that the Didsbury Lions Club were considering the project of a covered rink in place of their long-planned swimming pool.

We all must agree that a covered skating rink would be an asset to the town but we do not believe it would compare with the popularity of a swimming pool, especially during the summer months when there is no other sport available for our young people in Didsbury.

A properly supervised swimming pool where parents could send their children without fear of them coming to harm in the water, cannot be equalled as a sport centre. Such a pool would have the support of the whole community and of surrounding towns and villages, and would put Didsbury on the map for summer sport.

We hope that the Didsbury Lions Club does not abandon its plan to build the proposed swimming pool in town.

Many believe that unless a \$30,000 swimming pool can be constructed that the money would be wasted were an attempt made at a \$5,000 pool. Such would not be the case. Even with increased costs a fairly large and complete pool can be constructed for \$7,000 at the outside, and considerable less if done on a community basis.

If it is a question of a covered rink or a swimming pool, we would urge that those responsible for its construction settle only for a pool. Residents all over the district contributed money for such a project, and if the plan is abandoned now it is doubtful if it will ever again be possible to raise funds for a swimming pool in Didsbury.

THE CHALLENGE OF PEACE

The Canadian Red Cross, true to its best traditions, is not resting on the laurels won in the hearts of practically all Canadians as well as the peoples of most of the world for the tremendous services which it rendered to humanity during the war. On March 3rd it will launch its first major campaign to finance a peacetime programme of profound importance to the good health and welfare of the people of all of Canada.

F.W. Routley, National Commissioner of the Red Cross Society, has just returned from Europe where he spent considerable time in close contact with leading representatives of many Red Cross Societies of the world. It is true to state that the Canadian Red Cross, not only for its wartime accomplishments but for its achievements and plans for peace, is considered by the officers of these other Red Cross Societies to be at the very top in regard to efficiency and vision in carrying out the world-wide Red Cross slogan, namely, in time of peace or war to promote and assist in work for the improvement of health, the prevention of disease and the mitigation of suffering.

The position in this respect which the Canadian Red Cross occupies offers a real challenge. We must not flag in our efforts. Every activity—aid to veterans and their families, Junior Red Cross, the Blood Transfusion Service, Outpost Hospitals and Public Health services in outlying communities, First Aid and Home Nursing Instruction, Swimming and Water Safety, Nutrition education—should be pushed forward with all the vigor at our command.

In order to perform these services well, the Canadian Red Cross needs a minimum of \$5,000,000 from the Canadian people this year. It is hoped that many friends who have so staunchly supported Red Cross through the trying years of war will, through their generosity in March, enable the Red Cross to go forward to a great peacetime future for the benefit of all Canada.

HIGHLIGHTS OF NEWS REEL AT DIDSBURY OPERA HOUSE FOR FEBRUARY 20, 21, 22

LOCAL NEWS NOTES

The Ladies' Auxiliary of the Didsbury Branch of the Canadian Legion will meet on Wednesday, February 20th, at 8 o'clock.

—Mountain View Bible School "Open House Evening" will be observed Friday, February 22nd, from 7:30 p.m. to 10:30 p.m. Everyone is welcome to visit the Bible School at this time.

Owing to the death of Mr. A.F. Cowitz, organizer of the Rugby A.F.U. Local, its meeting has been postponed until February 26th, at the Lloyd Chandler home.

When sparks fly at the breakfast table it doesn't fire you for your job.

MELVIN NEWS NOTES

The local Red Cross group met at the home of Mrs. L. Wollen on Thursday afternoon. Members began work on the "Dresden Plate" quilt blocks which had been made and donated by Mrs. J. Kershaw. Unfinished blocks were taken home to be completed. The next meeting will be at the home of Mrs. R. McNaughton where they expect to do a quilt.

The Melvin Red Cross group will serve lunch at Albert Schneider's on March 3rd.

The district is excited saddened by the sudden death of Mr. A.F. Cowitz, an old timer and friend, and our sympathy is extended to the family in their bereavement.

We wish a speedy recovery to Florence Artman, who has been ill for the past few weeks.

Mr. and Mrs. A.E. Krebs, Mr. and Mrs. E. Ford, Mr. and Mrs. H. Youngs, Mr. and Mrs. J. Richardson, and Clayton Johnson were supper guests at the Duponts on Sunday.

NOTES FROM THE EAST

Mr. and Mrs. Lynn Hunsperger and Sharon, Miss Zoek, Grace Hunsperger, and Thomas Patterson were Sunday dinner guests with Mrs. D.B. Wood and family.

Miss Ivy Sarge and Evelyn Dowell spent the week end at their respective homes this week.

Jack Boulton of Calgary, formerly of this district, was in our midst a few days last week and while here attended the W.H. Metz sale. By the way, Jack is driving a new Buick.

Mrs. George Campbell of Carstairs spent last Wednesday with her sister, Mrs. Robert Eckel.

Quite a number from this district attended the novelty dance at Carstairs Community hall last Friday evening.

Miss Lucille Mason spent Sunday evening with Mrs. D.L. Milne. We are wondering why?

Mr. and Mrs. Pete Schumaker and family were Sunday night supper guests at the Fred Metz home the occasion being Raymond Schumaker's and Evelyn Dowell's birthdays.

NOTES FROM THE WEST

Owing to the death of our president, Mrs. D. Evans, the meeting of the Elktion Willing Workers was postponed for a week. We extend our deepest sympathy to the bereaved family. Mrs. Evans had been president of our club since her inception at the beginning of the war. She will be sadly missed in the district.

Mr. Norman Hogg, who is taking a course under the D.V.A., was home for the week end. While in Calgary he makes his home with Mr. and Mrs. Lee Sanderman, formerly of Didsbury.

Mrs. Margaret Brown of Calgary was in Didsbury on Saturday to attend the funeral of Mrs. D. Evans.

Mr. and Mrs. D. Hoesgood and Mrs. J. Hoesgood visited the Bird family at Garfield on Sunday.

Mrs. J. Hay visited with Mr. and Mrs. Wilson at Cremona on Sunday.

Mr. and Mrs. R. Befus spent Sunday evening with Mr. and Mrs. H. Hoesgood.

1944 CERTIFICATES PAYABLE THIS SUMMER

Trade Minister MacKinnon said in the Commons, recently that Canadian Wheat Board hoped to begin payment of 1944 wheat participation certificates "sometime this coming summer."

Replying to questions asked previously, he said the board still was making payments on 1943 certificates, many of which still were in the hands of the producers. Many 1941 and 1942 certificates also were outstanding.

The delay by producers in sending in their certificates, said Mr. MacKinnon, greatly complicated the work of the board and hampered work on the payment of later years.

The certificates, given farmers upon delivery of their wheat to the board's agents, enable them to share in the profits of the sale of grain each year.

ALASKA HIGHWAY TRAFFIC IS BOOMING

During 1946 about 2,700 cars were permitted on the Alaska Highway en route from Edmonton to the Yukon or Alaska, and that number has been exceeded by "about 200 percent" so far this year, officials of the highway control office said recently.

"Inquiries have reached Edmonton almost daily for several months but in recent weeks our mail has included about 30 letters every day asking for information about the Alaska Highway," an official said. "They come from all parts of the United States and indications are that traffic will be greatly increased this year."

\$5,500,000 ALBERTA PROGRAM FOR ROADS

Provisions are being made by the provincial public works department for a major road program this year, involving a possible outlay of \$5,500,000 for main highways, according to information received by the Alberta Motor Association. While cabinet approval has not been given as yet, it is believed that the amount named in preliminary departmental estimates will be O.K'd, and if not, the sum to be appropriated will approach that amount.

In preparation for this major program, the department already is taking preliminary steps to line up contracts so that there will be no delay when spring opens and the first sections of the program get under way.

The government has announced that an opportunity will be given contractors outside the province to bid on contracts as it hopes to have every available piece of equipment at work.

Certain hard surfacing projects also are scheduled for main highways in northern and southern parts of the province. Some are carry-overs from the 1946 program and these will be among the first to receive attention this year.

A.M.A. officials have been assured that it is the intention to have much of the work completed before the peak of the summer touring season.

Many a big deal has been made possible through a small want ad.

CABINET HEARS REQUESTS FROM THREE FARMER GROUPS

A resolution asking that the Alberta government take over rural electrification was among a number presented to the provincial cabinet recently by delegations representing the United Farmers of Alberta, Alberta Farmers' Union and the Alberta Federation of Agriculture.

The resolutions were passed by the organizations at their convention early this year.

Among other things, they asked that: Standard time be maintained throughout the year; the government assume at least 50 percent of the cost of rural education; the social service tax be abolished; federal wool bonus policies be continued; and old age pensions be sharply increased.

One resolution condemned the provincial government's policy of censoring 16-millimetre films used for educational purposes.

The organizations endorsed provincial government opposition to a proposed 30 percent increase in freight rates. Compensation to the farmer for surface rights in any petroleum development was requested.

Two resolutions asked the institution of a scheme of reforestation and more modern equipment to fight forest fires in the province. The delegations asked the government to consider stiffer penalties for "high speed" and drunken driving.

In another resolution the institution of a compulsory automobile insurance scheme was asked.

Amendments to provincial laws which would oblige a doctor to advise a patient of his inability to diagnose the case were asked. This resolution said that in recent action the court ruled a doctor was not obliged to inform a patient if he was unable to diagnose the case, and this, said the resolution, resulted in a "grave and dangerous" situation which should be remedied without delay.

NO PRICE INCREASE ON PASTRY IN RESTAURANTS

Following a number of queries received from restaurant operators, it is pointed out by the Wartime Prices and Trade Board that restaurants and other public eating houses are not permitted to increase the price of bakery products to their customers.

A Wartime Prices and Trade Board order authorizing an increase of 10 per cent in any bakery item except plain bread on the first of February applies to bakers only and not to restaurant operators.

ARABLE LAND IN CANADA

There are no great areas of arable land available for settlement in Canada at the present time. This statement was made by Frank E. Foulds of Ottawa, president of the Agricultural Institute of Canada. Mr. Foulds said that exaggerated reports of great areas of unoccupied lands in Canada are tending to prevent the Dominion in the light of a "dog in the manger" in the eyes of the world, and especially to large numbers of Europeans in congested areas.

WHY WORRY?

I wonder why folks worry. There are only two reasons for worry: either you are successful or you are not successful. If you are successful there is nothing to worry about; if you are not successful there are only two things to worry about. Your health is either good or you're sick; if your health is good there is nothing to worry about; if you are sick there are only two things to worry about. You are either going to get well or you are going to die. If you are going to get well there is nothing to worry about; if you are going to die there are only two things to worry about. You are either going to Heaven or you are not going to Heaven, and if you are going to Heaven there is nothing to worry about; if you are going to the other place you'll be so busy shaking hands with your old friends you won't have time to worry—so why worry.

IS YOUR CAR OR TRUCK

Our expert mechanics will put it on its feet at low cost!

Has your car or truck lost its "pep" — does it break down frequently—cost too much to run?

You'll be surprised how much of its original efficiency and economy can be restored by our expert mechanics, using factory-engineered parts! For a simple "tune up" or a major overhaul—at reasonable cost—come in or phone for an appointment — TODAY!

REGISTERED SEED VERSUS
COMMERCIAL SEED

(By H.G.L. Strange)

If a farmer requires a moderate amount of seed up to say 50 bushels he is well advised to pay the little extra money and to purchase Registered or Certified seed sealed in the sack. In some areas, however, frost damaged grains to the extent that germination, particularly of oats and barley, is too low to sow. Where this occurred some farmers may wish to purchase quite large amounts of seed. Commercial seed, loose in carlots, would have to be bought. Commercial seed, especially No. 1 (No. 3 should on no account be purchased unless sheer necessity drives) is of high germination and is reasonably free from noxious weeds, but can have a high content of secondary weed seeds and of other kinds of grain. The chief defect of commercial seed, however, is that no variety is guaranteed. It may consist of a mixture of a dozen different varieties and still be classed as No. 1 commercial. On the other hand Registered or Certified seeds are guaranteed as to variety. Commercial seed then should only be purchased, either where it is certified to buy Registered or Certified seed or where the amount required because of climatic troubles is very large.

WARTIME PRICES AND TRADE
BOARD WARNING TO CAFES

Restaurants and cafes which may now be charging more than their basic period price for a cold sandwich are definitely leaving themselves open to prosecution under W.P.T.B. regulations. It is stressed that no sandwiches other than the hot variety, that is to say, containing meat, hot poultry, or hot eggs, are to cost the diner more than was previously permitted. Any restaurants or cafes, which have boosted their 16-cent price to 15 cents for a cold sandwich, are open to prosecution.

Macaroni and cheese as well as straight vegetable salads are not entitled to the 10 percent price increase.

According to the new price regulations, meals costing fifty cents or less can be increased fifty cents, but only providing they contain meat, fish, poultry or egg. Meals costing more than fifty cents and up to one dollar, containing these items, may be increased by ten per cent.

However, should an extra charge of 5 cents for beverage be made with full course meals, such charge may not be included in estimating the price increase of the meal.

WOULD YOU CARE TO ASSIST
EUROPEAN IMMIGRANTS ?

Mr. A.P. Nevada recently received a letter from the Lithuanian Consulate General as follows:

Dear Mr. Nevada,
There are many Lithuanians who are refugees in Germany who would like to come to Canada but who do not have relatives in Canada. They would make good settlers and good farmers.

Under the present Canadian government immigration regulations the following persons may enter this country:

(a) Father or mother.
(b) Unmarried son or daughter if any age.
(c) Unmarried brother or sister.
(d) Orphan niece or nephew under 18 years of age.

(e) Widowed daughter or sister (with or without unmarried children under 18 years of age).

(f) Agriculturists entering to farm when destined to father, father-in-law, son, son-in-law, brother, brother-in-law, uncle or nephew engaged in farming as principal occupation.

(g) Farm labourer entering to engage in assured farm employment.

(h) Person experienced in mining, lumbering or logging entering to engage in assured employment in those industries.

Do you know any families in your neighborhood (Lithuanian or otherwise) who would be willing to provide a home and employment for one or more Lithuanians? Would they be in a position to advance the travel money of about \$300, which the immigrant could repay by work?

Mr. Nevada asks those in the district willing to assist in bringing anyone to Canada under the above circumstances to make application to: Lithuanian Consulate General, 116 St. George St., Toronto 5, Ont.

SOLDIER SETTLERS

Up until the end of 1946, 3,377 war veterans had been established in Alberta under the Veterans' Land Act, while in Canada, 21,702 establishments were completed. This information was given by H. B. Allan, Alberta superintendent of the V.L.A.

Of the establishment in Alberta, 2,300 are on full-time farming basis, and 728 are small holdings. Up to the end of 1946, veterans had purchased 274,252 acres of Alberta land at a cost of \$4,566,769.

Make business a force for world renaissance or a dying world will force us out of business.

SURVEY SERVICES
ON ALASKA ROUTE

Motor travel facilities and services are available on an average of every 100 mile stretch of the Alaska highway between Dawson Creek and Whitehorse, according to information received by the Alberta Motor Association.

Recently, the Edmonton branch sought and obtained complete data on the present facilities particularly in view of the wide interest in the highway and prospects for driving over it this year.

At present, it is necessary to obtain travel permits from the traffic control board in Edmonton. It is not known yet whether the road will be thrown open to general tourist travel this year.

Reports show that there are gasoline services, hotel and sleeping accommodation at different points along the route. As yet there are no facilities to make major repairs to vehicles.

During 1946, 2,704 vehicles or an average of seven per day, were given permits to travel north over the highway. It is expected that the number will be largely increased this year.

The highway, covering a distance of 2,093 miles from Edmonton to Fairbanks, Alaska, has been kept open all winter.

PROVINCE WILL BUILD
SOUTH STEEL BRIDGE

The provincial government will go ahead immediately with the construction of a \$200,000 steel highway bridge over the Old Man river near Lethbridge, Alta., according to information received by officials of the Alberta Motor Association.

The province issued a recent call for tenders. As no bids were received, it will go ahead with the project itself. It will be a five-span structure. Concrete footings will be built as soon as possible to pave the way for the steel superstructure to be erected next winter. The bridge will be located on the Lethbridge-Macleod highway and is badly needed in view of the heavy vehicular traffic in the region.

At the same time another major highway bridge will be completed next winter. This is the \$150,000 steel bridge on the Calgary-Edmonton highway at Red Deer. Considerable work already has been done there.

The A.M.A. at its last annual meeting adopted a resolution drawing the provincial government's attention to the need of repainting the approaches to bridges and also the bridges in order to provide greater safety to motor cars and other traffic. It was suggested that lustrous paint should be used for such work.

Good Roads

MEAN MILLIONS
To Alberta

The tourist trade is estimated to have brought nine and a half million dollars to Alberta in 1946, about one and a half times the Provincial expenditure on roads (\$6,605,950 est.) for the year.

This tourist income can be multiplied as soon as we provide the kind of all-weather highway system that makes tourist travel easy and pleasant. And we need such roads for our own use and in the interests of our own progress.

The Alberta Government is to be commended on its recently announced outline of a \$9,500,000 highway program for 1947. If this program is carried out and repeated over a period of years, we will have roads worthy of Alberta and worth a great deal more than their cost to us.

"LOOK!
A CHEQUE FROM
UNCLE JOHN!"

It is Bobby's tenth birthday... Uncle John has sent him a cheque. His father explains how Bobby can go to the bank and get cash that very day!

When you make out a cheque, you give an order to your bank to pay the amount specified to the person named.

If he lives on the next street, or thousands of miles away, he can take your cheque to his local bank and get the money.

He cannot get it without a receipt—his signature on the back of the cheque. If yours is a Current Account, your cheque comes back at the end of the month, and so you have a permanent record and receipt of the payment.

The enormous convenience of the chequing system is just one of the many services provided by your bank... for you.

-: DISTRICT NEWS:-

BURNSIDE NEWS NOTES

Believe it or not, it rained for a good half hour on Friday night. Spring must be just around the corner, and we sure appreciate the mild weather of the past week.

Among those from this district attending the Dairymen's convention in Calgary this week were manager Ken Shultz and his brother Don, and Corry Reimer.

Others seen in Calgary last Tuesday were Mrs. Harold Pross and James McCulloch.

We understand that the Fred Metz sale was a success and the Lone Pine W.I. made out all right serving lunch.

Mr. and Mrs. Rathburn were helping out at the Sam McAllister farm for a few days last week. Mrs. Birdale, who returned from the hospital recently, and Sam have been taking medical treatments at Olds and Roland Ahlgrim took them to this northern town last week.

Mr. and Mrs. W.P. Shultz spent Tuesday in Calgary and visited with Mrs. Tom Finlay of Mt. Royal. Now that Fred Metz has been re-elected to the Municipal Council by acclamation we hope he will make every endeavor this year to gravel the mile of road past Bob McCulloch's and the mile past the Lone Pine hall.

Mr. and Mrs. R. Eckel were Sunday dinner guests of Mr. and Mrs. Morris Chaffin.

Louis and Russel Persinger spent Sunday at their home west of Olds. Mr. and Mrs. Raymond Hayne, Reynolds and Ruby were guests of Mr. and Mrs. Lloyd McCaig on Sunday.

BERGEN NEWS NOTES

Mr. and Mrs. E. Richardson of Calgary were visiting with Mr. and Mrs. Eric Lyle this week.

Stella Richardson has been helping Ethel Lyle feed the mill crew at the Lyle Saw mill.

Bob Stevens was out to see the mill crew last week.

Paul and Mrs. Toews, Esther Isaacs, and some of the mill crew were visiting the Baerg-Shartner mill on Sunday.

Toby Shartner and wife were in Calgary last week having some repair work done on the truck.

Alan Norquay and Ed Walker are trying to keep my road down to Lyle's in good order.

Pete Baerg does not always get back from Sunnyslope as soon as he is expected.

Mrs. May Davis was in Sundre visiting her sister last week.

Irwin Redekop has quit the Haug saw mill and gone to Sunnyslope for a visit.

Victor Meissner is staying at the mill for a few weeks.

Paul Boerg goes down to the Toews' mill once in a while to see how the new mill is running. The two Pauls are brothers-in-law.

We regret to hear of the passing of Mrs. Ada Stevens and we send our sympathy to the bereaved ones.

News of the death of Rev. Wesley M. Bruce of Chilliwack, B.C. has arrived. Thirty nine years ago in May 1908, he was pastor of the Methodist Church in Olds.

At the time I was a guest from Kansas, waiting for the arrival of my father who was a homesteader on what is now known as the Gamble Flats along the Big Red Deer river.

Rev. Bruce taught in the public schools in Calgary and was teaching Greek in a Bible school at Chilliwack at the time of his death.

CARD OF THANKS

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks and gratitude for all those comforting acts.

David Evans and family.

WESTCOTT NEWS NOTES

The Fox Meat and the Boy Scouts had another game of hockey last Monday night, and what do you know—the Fox Meat won by a score of 5-4. Sounds as if this Fox Meat team is setting quite foxy.

Elaine Goetjen spent a couple of days last week at the home of Clara Schneidmiller, where she was one of Clara's birthday party guests on Tuesday.

Mrs. Otto Folkman was a Calgary visitor this past week.

Mr. Burnell Reinhardt and Mr. Douglas Schneidmiller left on Friday last for Kimberley, B.C. Have a nice holiday boys.

The Westcott Women's Institute's card parties are really proving to be popular and good crowds turn out each time to enjoy them. Last Tuesday's "500" card party at the school was no exception and there were nine tables of "500" played and three of whist, although prizes were only given for the former, and they were won by Mrs. Clarence Larson and Mr. Otto Folkman while the consolation prizes were won by Mrs. Harvey Hreswood and Mr. Don McLaren. Whist winners were Mrs. Gordon Ford and Mr. Alfred Baudistel consolation prizes going to Mrs. Adolph Baudistel and Mr. Alex Luft.

The next card party is to take place at the Jackson school on Tuesday, February 25th, at 8 p.m. and this is to be bridge and whist, so come out and enjoy yourselves.

Miss Deloyce Goetjen was a C.G. 17 delegate to the Red Deer convention this week end along with the other girls from town.

The three Dancorle sisters took part in the events at the carnival in Didsbury last Wednesday and Eileen and Jean were among the winners.

A good number of Scouts and their parents from this district took in the Ice Stampede in Calgary on Saturday evening and from all reports it was thoroughly enjoyed.

NEWLY-WEDS HONORED SATURDAY EVENING

Forty five friends and neighbors gathered at the home of Mr. and Mrs. Ed Klinek on Saturday evening, February 15th to honor the newly-weds, Mr. and Mrs. Glen Levassand. Mrs. Wilfred Rennie and Mrs. Klinek were co-hostesses.

The evening was spent playing games, after which the bride and groom opened their gifts and thanked those present.

A delicious lunch was served, bringing an enjoyable evening to a close, all wishing the happy couple the "Best of Good Wishes."
